

URGENT - Coronavirus (COVID-19) questionnaire

Please read this important update below from Bright Group's Management Team.

The Federal Government continues to sustain some enhanced social distancing measures and continues a ban on all departing international travel. The Government of Western Australia has remains in a moderate stage 2 State of Emergency and continues the Public Health Emergency in response to COVID-19 coronavirus. Some restrictions still remain in place on travel to Western Australia from other Australian States and Territories — by road, rail, air and sea — in response to COVID-19.

Bright Group's primary focus is ensuring a safe and healthy work environment for all of our people.

Mandatory Questionnaire for travel to sites for Bright Group Employees

The following pre-entry questionnaire **must** be completed for all travel to mine sites by Bright employees.

In the past 14 days have you:

1. Returned from an overseas location If YES – Travel to a mine site is cancelled	Yes <input type="checkbox"/> or No <input type="checkbox"/>
2. Had contact with a confirmed case of Coronavirus (COVID19) If YES – Travel to a mine site is cancelled	Yes <input type="checkbox"/> or No <input type="checkbox"/>
3. Experiencing one or more of the following symptoms? <ul style="list-style-type: none"> • Fever/high temperature • Acute respiratory infection • Shortness of breath • Cough • Sore throat • Other flu-like symptoms If YES – Travel to a mine site is cancelled	Yes <input type="checkbox"/> or No <input type="checkbox"/>

All international arrivals to Australia is still required to self-isolate for a period of 14 days. As this is a legally enforceable requirement, if you have returned from overseas, **please do not attempt to return to site or to the Bright Group Head Office until you have completed your 14-day isolation period.**

If you are experiencing any flu like symptoms, regardless of your travel history, **do not travel to site.** Get in touch with your GP and Bright Group contact before returning to any Bright Group sites or office. This includes post-recovery from the flu – do not return to work until you are fully recovered from all flu symptoms.

Employees travelling to site for the major mining companies - please familiarise yourself with the client site containment measures and adhere to travel screening procedures. Interstate employees are required to familiarise themselves with the WA border controls and the border controls of their respective states. Please refer to www.bright.com/help/ for links to government websites.

If you have any questions or concerns, please contact the HSE Team at hseadmin@bright.com

The continuing exponential spread of the COVID-19 virus in Australia is a very real and very dangerous threat to all of us. You are required to adhere to the government's social distancing requirements at the airport, on the plane/bus and all times at site. Large gatherings outside rooms and in common areas are banned at all sites. These are mandatory requirements and failure to comply may result in being banned from site and potential fine of \$50,000 under the Public Health Act and Emergency Management Act.

Complete the following if you answered **YES** to any of the questions and send to hseadmin@bright.com
